

Providing free transportation for seniors who qualify.

Senior Transportation Services

The Township of Mount Olive Health Department provides transportation services free of charge for residents who are:

- 60 years of age or older.
- 18 years of age or older and physically disabled or handicapped (If you are handicapped or disabled and are under 60 years of age, a certification form, which we provide, must be filled out by your physician).

Any participant with immobility, deafness, blindness **may** have a companion ride along to provide assistance.

For additional information regarding available service, please click on the tabs located on the left hand side of this page.
